Hi Amit,

Yes. We approve of the OT due to the circumstances of the urgency for this response. Thanks.

Thank you Ramon.

I will get started right away. In the meantime, would you update the TO form as it is not consistent with the original one used for TO 9019 MOD 22 (see attached).

Robert, Randy, Barbara, or anyone else, could you also verify if you approve of the request for OT from EQM? That way I can include that in the modification too.

Thanks.

Best regards,
